

# CONCORD XL<sup>®</sup>

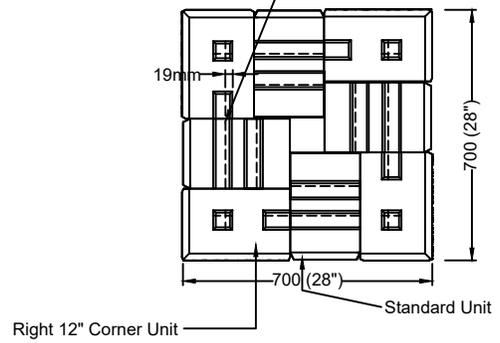

REF: Detail\_Concord XL\_Wide Lamp Post

LAMP POST WIDE 700 X 700 (28" X 28")

Manufactured splitting groove available in select markets. If not available, cut w/ masonry saw as shown.

Split back 3/4"(19mm) off tongue to allow next course to move forward to create vertical alignment

Note: Poor site conditions can affect the stability of the structure. Consult a qualified professional engineer to determine site specific construction details.

Engineering design by RisiStone Inc.
