U-Cara Fascia Panels can be placed anywhere along the patented SureTrack™ Backer Block, allowing for pattern, color and texture combinations that are impossible to achieve with other systems. The design possibilities are endless for single or double sided vertical landscape features and retaining walls.

U-Cara® Modular System

The U-Cara Modular System offers a variety of aluminum frames that can be mixed and matched to construct vertical features like grill islands. Speak to your contractor to select a design and a U-Cara fascia panel finish to suit your project.

With the U-Cara Modular System you can build Grill Islands, Bars, Back splashes, Fire Tables and Pillars.
