

LEDGESTONE™

UNILOCK®

TECH SHEET

THICKNESS 70MM

REGION ONTARIO

APPLICATIONS

Note: Not all sizes are suitable for every application. Contact Unilock Representative for assistance.

Fire Feature

Garden Wall

Outdoor Kitchen

Pillars

Retaining Wall

Seat Wall

Water Features

COLORS

**BUFF
FINISH: FLAGSTONE**

COPING
610mm x 70mm x 305mm
24" x 2 3/4" x 12"

TYPICAL CROSS SECTION

Note: Base, screed bed, infill aggregates and or reinforcements may vary based on project requirements or as specified by engineer.

LEDGESTONE STEPS

1. UNITS ARE PLACED DIRECTLY OVER GRAVEL BASE
2. ADHESIVE - OPTIONAL
3. 0.5 DEGREE FORWARD SLOPE FOR DRAINAGE

PACKAGING

	COPING
UNIT THICKNESS (MM)	70
LAYERS PER BUNDLE	4
FCFT PER BUNDLE	5.52
FCFT PER LAYER	1.38
FCFT PER UNIT	0.46
UNITS PER BUNDLE	12
UNITS PER LAYER	3
LBS PER BUNDLE	771.96
LBS PER LAYER	192.99
LBS PER UNIT	64.33

INSTALLATION NOTES

Ledgestone is a universal coping system that is turning heads with its remarkably natural appearance. Featuring pitched edges to work interchangeably with any wall, the design selections are optimized.

Applications – Coping for steps, pool edges, planters and walls. Units are designed for straight applications but radius applications can be achieved by cutting tapered units.

Connection – non-mechanical connection. Use appropriate concrete adhesive for connection between units. Install with tight joints or 3/16” gap between units and amend with an exterior latex caulking. Cutting may be required; a diamond blade saw is required to cut coping properly. Glue all coping using a specially formulated concrete adhesive that is strong and will not break down over time. Always read adhesive manufacturers’ directions prior to gluing. NOTE: always scarify (rough-up) the back surface of the coping units with a grinder prior to gluing so that you will have a strong secure connection.

Note: always slope Ledgestone units slightly (from front to back or back to front) to prevent pooling of water on the surface.

Handling – Handle gently to avoid chipping edges.
