

Give your customers extra **peace of mind** with the latest **Unilock DriveGrid system**, powered by Tensar's new H-Series range.

A paver driveway installed with Unilock DriveGrid System, will be stronger and less expensive too. This new geogrid follows extensive years of research and development by Tensar

Supported by its own Environmental Product Declaration (EPD), Unilock DriveGrid's new H-Series range has been developed specifically to support sustainable product specifications.

As with our other Next Generation products, Unilock DriveGrid can reduce initial and lifecycle costs, reduce construction time and provide sustainability benefits on a project-by-project basis.

Now you can say GOOD BYE to rutting with Unilock Drive Grid!

**PROVEN
TECHNOLOGY**

**PROVEN
SAVINGS**

**PROVEN
SUCCESS**

Unilock DriveGrid is designed to work well with a broad range of aggregates and granular materials that can offer additional savings through lower cost aggregate options.

Find out more on Unilock DriveGrid and see how we can save you time and cost on your next project!
